

Patriot Act Disclosure

To help the government fight the funding of terrorism and money laundering activities, U.S. federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens a new account. What this means for you, our member, is that when you open an account, we will ask you for your name, address, driver's license or other government identification and other information, such as date of birth for individuals, which will allow us to identify you.
